

Dear Fellow Travelers,

It is great to connect with you now. I thank you for taking the time to view our new web-site. A lot of time and hard work has gone into its development. Our parish welcomes you to join us as you continue on your faith journey.

We are a large parish of almost 3500 families and nearly 14,000 members and we are discovering new ways to get to know one another.

Worship is central to our parish and permeates and influences all that we are and do. Our outreach is filled with compassion and all that we do flows from our baptismal commitment.

Please see for yourself what Holy Spirit has to offer to you. We invite you to consider joining us and helping us be what God has intended, people of faith.

Fellow Traveler,
Father Dennis G. Lewandowski
