

Volunteering @ HSCC

Visit Our Website at www.hsc.us!

While we are in an ongoing process of updating information on the many ministries and volunteer opportunities available at our parish, **we need YOU** now, more than ever, to help us take care of each other and those we have committed assistance to outside of our parish.

We are committed to developing a clear means of communicating our volunteer opportunities as well as creating a process in which your experience is life-giving and meets your needs as well as the parish.

To volunteer, please complete the online Volunteer Form available by clicking on the “Volunteering @ HSCC” tab on the lower-right hand side of the main page, and then follow the link that appears saying “Click here for Volunteer Form.”

Please see some of the immediate needs that we have and consider contacting the person listed.
