DON'T BE AFRAID. DO THE WORKS OF CHRIST.

In the Gospel passage we heard today, Jesus was preparing the apostles for a time when he would not be with them physically. Jesus wanted to reassure the apostles, even though he knew they were having a difficult time understanding. We sometimes struggle to grasp the Lord's ways, too. We know that God is with us in Christ through the Holy Spirit, and yet, when we really have to act in accord with our faith, we sometimes falter. Jesus tells us to not be afraid. Have faith in Christ and do his works. We may be surprised at what we are able to do when we trust and follow Jesus' way. And we are assured that God will be with us through it all.

5th Sunday of Easter

Every person has been given gifts from the Holy Spirit. These are called "charisms" and they are used to build God's kingdom of earth. While many people are able to recognize their natural talents and abilities, they may be unsure of their charisms. If you know someone who is struggling for a direction in life, give them a little encouragement. Help them discern their charisms and how God is calling them to use them. Remember - no gift is too small or insignificant in God's salvation plan.
