We are beginning a new Children's/Family Mass on the second Sunday of Advent. Please consider having your child join our Youth Choir to sing for these Masses!

Thursday, December 24, 3:00 pm Christmas Eve Mass

Our Youth Choir will be singing again at the 3pm Mass on Christmas Eve, as well as a few sacred carols and Christmas favorites before Mass begins.

November – The Month of the Holy Souls in Purgatory

During the entire month of November, prayers will be offered for our dearly departed at all Masses. If you would like to include your loved ones, please use the envelopes available in the Narthex. They were also sent in the offering envelope packets to homes. Donations will be used to purchase funeral vestments and a matching pall.

This year there will be a "Book of the Deceased" in the sanctuary. The names of all parishioners who have had their funeral Mass celebrated at Holy Spirit, have been inscribed.

Eternal rest grant unto them, O Lord, and let perpetual light shine upon them. May the souls of all the faithful departed, through the mercy of God, rest in peace. Amen.

COMING UP AT HOLY SPIRIT

ANOINTING MASS

SATURDAY, NOVEMBER 21

10:00 AM

(Followed by refreshments)

The Sacrament of the Anointing of the Sick will be offered during Mass. Any person who is seriously ill in mind, body, or spirit, in danger of death, weakened by old age (even if no serious illness is present), or preparing for serious surgery due to illness may receive the sacrament of Anointing of the Sick.

Thanks to the dedication of our ***Safety and Security Team****, several important safety improvements are now in place through our FEMA grant. We're pleased to share these updates with you.*

Door Access Control

The Proxess access-control system provides secure, convenient entry to all Worship Space doors and select exterior doors using a fob or online app, eliminating the need for physical keys. It allows administrators to manage access, establish door schedules, immediately revoke unauthorized access, and initiate lockdowns when necessary, while always allowing people to exit freely from inside the building.

Police Alarm Devices

Activate the blue Police alarm devices when an immediate armed response is needed, such as:

- When a firearm is involved
- Gunfire is heard
- An armed person attempts to enter Holy Spirit

Situations such as theft, vandalism, bomb threats, verbal altercations, or suspicious persons without an imminent threat should be handled through a standard 911 call or on-site staff rather than activating the device.

Medical Alarm Devices

Activate the green Medical alarm devices when a situation requires the immediate dispatch of an ambulance or emergency medical personnel (EMS). Examples include:

- Severe injuries requiring medical attention
- Serious allergic reactions or anaphylaxis
- Apparent cardiac events or strokes

For minor injuries or medical conditions that can be treated with a first aid kit, seek assistance from a nearby nurse, parishioner, or staff member instead of activating the device.

God calls us to nurture and develop the gifts He has given us and then generously return a portion with increase. He doesn't want us to waste or hoard the gifts He has given us. He expects us to grow our gifts, to use them wisely, and to be generous with them. Unfortunately, many of us are not generous in proportion to all that God has given us. God asks us to be generous with all our gifts, especially the one that means the most to you.
